**THE GLOBAL CIO OFFICE CROWNED MOST PROMISING NEW ENTRANT AT THE
WEALTHBRIEFINGASIA AWARDS 2020**

The Global CIO Office, one of Asia's industry leaders has been named 'Most Promising New Entrant' at the 8th **WealthBriefingAsia Awards**.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2019'.

Commenting on the firm's triumph, Gary Dugan, CEO, The Global CIO Office said: "We are so pleased that the judges appreciated our team's achievements in such a short period of time and our vision of a flexible, cost conscious wealth industry."

ClearView Financial Media's CEO, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to all the winners. He said: "The firms who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations. These awards were judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management.
